EDUCATION

Biola University

La Mirada, CA

B.S. in Computer Science: Data Science and Information Systems | GPA: 3.97

- President's Scholarship | Elite 18 Award – highest cumulative GPA on the roster (2024-2025)
- **Relevant Coursework:** Software Engineer, Data Science, Database Management, Business Analytics, Data Structures, UI/UX, Operating Systems, Computer Communications, Business Finance.

SKILLS

- **Languages:** Python, JavaScript, TypeScript, C++, HTML, MySQL, and LaTeX.
- **Frontend:** React, React Router, Tailwind CSS, Figma, shadcn/ui.
- **Backend & Database:** Supabase, PostgreSQL, REST APIs
- **Tools:** Git/GitHub, Vite, Expo, VS Code

PROJECTS

Class Registration Web App | React, TypeScript, Supabase | [GitHub repo](#)

La Mirada, CA

Academic Project | Team of 4

Jan. 2026 - Apr. 2026

- Served as UI lead, architecting the app shell, React Router structure, and global state via a custom React Context provider connected to a live Supabase/PostgreSQL backend.
- Built 30+ reusable components across 5 pages including a class search, weekly calendar, and cart system with 5 real-time validations (time conflicts, prerequisites, seat availability, duplicates, credit cap).
- Engineered a custom breadcrumb system with sessionStorage persistence handling query string preservation and deduplication; collaborated in a 4-person Agile team across 3 sprints with GitHub version control and PR reviews.

FaithFinance - Personal Finance & Giving Tracker | React Native & Expo | [GitHub repo](#)

La Mirada, CA

Academic Project

Oct. 2025 - Dec. 2025

- Served as project manager and lead developer for a mobile budget tracker using React Native, TypeScript, and Expo with 9 screens and 35+ reusable components for tracking income, spending, and charitable giving.
- Implemented AsyncStorage with full CRUD to persist transactions across 3 types and 15+ categories.
- Engineered responsive mobile-first UI with scaling utilities to ensure consistent layout across different devices.
- Integrated stack/bottom navigation and added 20+ Bible verses for faith-based financial reflection.

RELEVANT EXPERIENCE

Crowell+ Digital Marketing Group

La Mirada, CA

Data Scientist

Sept. 2025 - May 2026

- Attempted to build an automated YouTube data pipeline via Google APIs and BigQuery; diagnosed credential blockers and pivoted to manual extraction through YouTube Studio analytics.
- Collected and analyzed multi-year video performance and audience demographic data, consolidating findings into a structured Google Sheets model with charts and trend visualizations.
- Delivered a strategic playbook to the university marketing manager outlining 7+ data-driven hypotheses on audience behavior, content performance, and channel growth opportunities.

Biola University

La Mirada, CA

Math Computer Science Internship

Jun. 2025 - Aug. 2025

Supervisor: Assoc Dean, Endowed Chair of Computer Science

- Led prototyping for 4+ LaTeX, MathJAX, Overleaf mathematical equations, and solution tools formats.
- Led weekly meetings to present scrum-style updates, implement feedback, and refactor code towards technical and pedagogical goals.
- Developed 6+ LaTeX documents (100-200 lines) over 45 hours, building strong proficiency in LaTeX from scratch.

Swim Instructor

Jan. 2024 - May 2026

- Composed individualized swim lessons for 15+ students, improving technique and performance across age groups.
- Reduced incident risk to zero across 150+ hours of instruction.

LEADERSHIP EXPERIENCE

NCAA Division II Student-Athlete – Swimming

- Committed 20+ hours per week to training, competition, and travel while maintaining a 3.97 GPA
- Selected as a Team Culture Leader for the men's team, fostering accountability, and positive team dynamics.
